SUMMARY

Computer Science Engineering student skilled in Java, SQL, DSA, and web technologies with experience in IoT and AI-based academic projects. Interested in software development, backend systems, and problem-solving roles with a focus on scalable and innovative solutions

Technical Skills

Languages: Java,SQL

Web Technoligies: HTML,CSS,Javascript,ReactJS

Concepts: DSA,OOPS

Tools/Platforms: vs Code,Eclipse

Projects

Automated Public Lighting

- Led a team project implementing a smart street lighting system utilizing IoT devices.
- Engineered a solution where lights automatically illuminate upon detecting vehicle presence and turn off after a designated time frame, enhancing energy efficiency and safety during a hackathon prototype implementation.

Curve Guard

- Developed and implemented a safety-enhancing project for ghat sections with sharp turns.
- Designed a system that activates blinking lights on turns when a vehicle approaches from the opposite direction.

Content Catalyst: AI Recommendation Engine for Youtube Channel Growth

- Developed an AI-based recommendation system that analyzes YouTube channel data to provide creative content suggestions and improve channel growth.
- Implemented Natural Language Processing (NLP) and semantic clustering to identify content themes, patterns, and underexplored topics
- Designed a Content Resonance and Performance Score (CRPS) to evaluate video performance relative to channel history instead of raw metrics.
- Built a Creator World Model to represent a creator's content identity and generate explainable insights for future content strategies.

- Used event-driven architecture (Kafka, Node.js) to process data efficiently and deliver real-time analytics and recommendations.

EDUCATION

GITAM Deemed To Be University

Bachelor of Technology in Computer Science & Engineering

August 2022 - July 2026

Bengaluru, Karnataka

Sri Chaitanya Junior College

Board of Intermediate Education, Telangana

June 2020- May 2022

Hyderabad, Telangana

Sri Saraswathi High School

Board of Secondary School of Education, AP

June 2019- May 2020

Gooty, Andhra Pradesh

COURSES AND CERTIFICATES

- C for Everyone: Programming Fundamentals - University of California
- Effective Problem-Solving and Decision Making - University of California
- Java Programming Fundamentals - Infosys Springboard
- Java Language Features, Java SE 8 Features – Infosys Springboard
- MongoDB – Atlas Search, SQL Professionals, Atlas Administrator Path

INTERESTS AND HOBBIES

- Participating in Hackathons and Coding Competitions
- Internet of Things
- Listening to music
